**Re: Omya Verpol Plant Seminannual Water Quality Report**

Dear Ms. Hackbarth,

Enclosed please find 2 copies of Heindel & Noyes' Fall 2006 water quality monitoring report for the Omya Verpol Plant. Note that the report is broken into two volumes due to its size. Please call me (ext. 23) or Senior Project Manager Steve LaRosa (ext. 25) with any questions or comments you may have.

Thank you,

Elizabeth Erickson  
Staff Scientist
