

Application Checklist

Interim Certification Application
Tailings Management Areas
Verpol Plant, Florence, Vermont

Regulatory Reference	Application Component	Location in Application
SUBCHAPTER 3 – APPLICABILITY AND ADMINISTRATION		
6-304(a), (b), (d), & (e)(2), (3), (4), (5)	Application Form	Part A-1
6-304(e)(1)	Siting, Design, and Operations Information	Parts C, D, and E, respectively
6-304(e)(6)	Facility Location	Part A-4 and Part C
6-304(e)(7)	Description of the proposed operation and future development.	Part E
6-304(e)(8)	Amount and types of material.	Part A-1, Section 7
6-304(e)(9)	Location of property relative to Class III or Class IV groundwater area.	Part C-1
6-304(e)(10)	Evidence of Compliance with Financial Responsibility	Part A-8
6-304(e)(11)	Closure/Post-Closure Plan	Part D-4
6-304(e)(12)	Evidence of Fee Simple Title	Part A-3
6-304(e)(13)	Evidence that application complies with local planning requirements	Part A-7
6-304(e)(14)	Evidence of compliance with disclosure requirements	Part A-9
6-304(e)(15)	Distance to Airports.	Part C-1
6-304(e)(16)	List of names and mailing addresses that received a copy of this application.	Part A-6
6-304(h)	Plan for Public Notification	Part A-5
6-306(b)(1)	Evidence that the facility is necessary and that there are public benefits	Part A-10
6-306(b)(2)	Assessment of the current disposal methods	Part A-10
6-306(b)(3)	Schedule to achieve closure or full certification	Part A-10
6-306(b)(4)	Monitoring plans for groundwater, surface water, and air quality	Part A-10 and Part C-2
6-306(b)(5)	Evidence that operation is consistent with regional solid waste plans.	Part A-7
SUBCHAPTER 5 – SITING		
6-502	Prohibited Areas	Part C-1
6-503(a)	General Performance Standard	Part C-1
6-503(b)(1)	Isolation distance to high seasonal water table, bedrock, and waters	Part C-1
6-503(b)(2)	Isolation distance public and private drinking water	Part C-1
6-503(b)(3)	Isolation property line	Part C-1

Regulatory Reference	Application Component	Location in Application
6-503(b)(4)	Minimum Isolation Distances (Table A)	Part C-1
6-503(b)(5)	Serious development limitations	Part C-1
6-503(b)(6)	Access from highways	Part B
6-503(b)(7)	Distance to airports	Part C-1
SUBCHAPTER 6 – DESIGN STANDARDS		
6-601 and 602	Facility Management Plan (FMP)	Part B
6-603	Site Characterization	Part C-1
6-606(a)	Disposal Facility General Performance Standards	Part B
6-606(b)(2) (A), (E), (F),and (G)	Liner and Leachate Collection Systems Requirements	Part B
6-606(b)(2)(D)	Seismic Evaluation	Parts D-1 and D-3
6-606(b)(2)(H)	Sequential Capping Plan	Part D-2
6-606(b)(2)(I)	Gas Control and Treatment	Part B
6-606(b)(2)(J)	Stormwater Management Design	Parts D-1 and D-3
6-606(b)(2)(K)	Lift Development	Part E
6-606(b)(2)(L), (M), and (N)	Final Cover System	Parts D-1 and D-4
SUBCHAPTER 7 – OPERATION STANDARDS		
6-701, 702, 703, and 704	Operations and Maintenance Information	Part E
SUBCHAPTER 9 – FINANCIAL RESPONSIBILITY AND CAPABILITY		
6-901	Financial Assurance	Part A-8
SUBCHAPTER 10 – CLOSURE AND POST CLOSURE		
6-1002(b)	Closure Plan	Part D-4
6-1003(c)	Post-Closure Plan	Part D-4
6-1004(b)	Closure Cost Estimates	Part D-4
6-1005(b)	Post-Closure Cost Estimates	Part D-4
